Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

1. On October 07, 2004, May 12, 2005, July 19, 2005 and August 11, 2005, small entity assertions were filed in this application/patent in connection with the payment of the filing fee, two month extension, surcharge, terminal disclaimer, additional independent claims, one month extension, request for continue examination and issue fee.

2. These assertions of small entity status in this application/patent and the payment of fee(s) as a small entity were made in good faith.

3. It has since been alleged by a third party that such status as a small entity was improper. The assignee has undertaken an investigation with respect to the proper entity status and maintains that this application/patent should be entitled to small entity status. However, in an abundance of caution, the assignee has decided to follow the entity status correction procedures of 37 C.F.R. § 1.28(c) and pay the deficiency as if the assignee was a large entity when such fees were paid.

4. Below is an itemization of the fees owed.
